

# MSP PROGRAM

Grow your business with  
our trusted IT security

CYBERSECURITY  
EXPERTS ON YOUR SIDE

# Built for managed service providers

ESET MSPs benefit from flexible licensing through our self-service portal, profitable volume pricing and easy deployment and management. MSPs can manage their environment through the ESET Security Management Center or through an RMM console. Plus our MSPs get access to free deployment and upgrade service to make sure they are set up for success.

- Volume pricing to scale with your business
- Monthly invoicing
- Flexibility to add/remove seats instantly
- Multi-tenant remote management
- Cross-platform coverage—Windows, macOS, Linux, servers, virtual machines, mobiles
- Integrations with popular RMM/PSA platforms
- Presales, Migration and Onboarding Services
- Complimentary deployment and upgrade service from ESET tech support
- Encryption, two-factor authentication and EDR solutions available on monthly licensing

## What our MSP partners say

“ ESET applications allow us to focus on all our clients' needs, not just their data security. A win-win situation in our eyes.

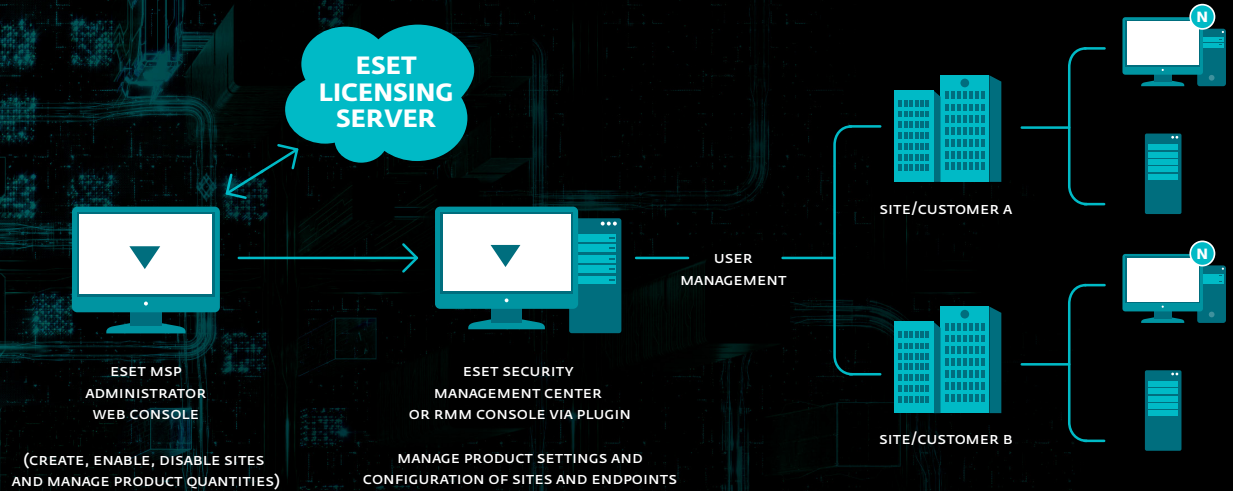

Tim Mendendrop, AJ Technology Company

“ The ESET product is effective, affordable and—best of all—the company's support team is extremely knowledgeable and prompt.

Chris Harrison, Central Plains Computer Service

# How the ESET MSP Program works

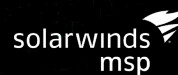

## Integrations

ESET integrations enable MSPs to deploy and manage endpoints from their RMM console with no additional server or intermediary management console.

INCLUDES ESET  
ENDPOINT ENCRYPTION

Additional RMM and PSA plugins that integrate with ESET Security Management Center:

Kaseya  
Tigerpaw

ConnectWise Automate  
ConnectWise Manage

Datto (Autotask AEM)  
Autotask PSA

## FLEXIBLE BUYING OPTIONS

ESET MSPs enjoy flexible licensing with our monthly invoicing model. Add and drop licenses as needed through our self-service portal and pay for only what you use. ESET direct MSPs also receive volume pricing that scales as you grow.

ESET Security Solutions are available on Ingram Micro Cloud Marketplace. Easily manage all licenses from a self-service web interface, provision licenses and adjust quantities, and receive competitive margins with monthly billing options.

MSPs on the ConnectWise Automate or Manage platforms may purchase through ConnectWise to receive competitive pricing and streamlined operations.
